{xtypo_dropcap}**N**{/xtypo_dropcap}**asir International** is a privately held company registered and operating in Iran. We supply quality equipment from international OEMs and reputable suppliers of pharmaceutical and industrial products. We have a dedicated small team of marketing and sales experts who have extensive knowledge of the Iranian market in both the state and private sectors.

{xtypo_quote}We believe we are well-situated to represent international manufacturers and suppliers who wish to sell into the Iranian market which is the largest in the Middle East in terms of infrastructure, strategic geo-political position connecting East and West, huge oil & gas resources, a highly educated population, and a rapid rate of economic growth and development.{/xtypo_quote}

Currently, we are the Exclusive Representative of **Hanningfield Process Systems Ltd.** of UK in Iran, Armenia, Georgia, Azerbaijan, Tajikistan, Iraq, Oman, Kuwait, Qatar and Bahrain, and Authorized Representative of
Tecnologia Meccanica s.r.l
(Italy) and
B&D Italia s.r.l
, in Iran
.

The products on offer are: Uni-Vac vacuum conveyor systems, Capsu-Jet capsule conveying systems, Uni-Hoist lift systems, Uni-Mill conical screen mills, SureBreak lump breakers, Uni-Dust powder recovery cyclones, Uni-Cap silicone dust caps and Uni-Connect silicone dust sleeves, Sterivalve, Sterisplit, Flexivalve, Rotovalve Light, Rotovalve HD, and Fluid Jet Micronizers, tablet presses, and dedusters, as well as relating spares and accessories.

All of the above have been supplied and installed worldwide and Hanningfields' customer reference list covers the majority of major pharmaceutical companies. Hanningfield is a member of the respectable Solids Handling and Processing Association (SHAPA).
